

The Delphos Economic Sustainability Coalition (D.E.S.C.) has been established to promote economic viability to the City of Delphos by assisting commercial property owners with the maintenance, structure and façade improvements of existing commercial space through grant application processes and revolving loan funds. D.E.S.C. will further this purpose by advancing, encouraging, and promoting the economic, commercial, and civic development of Delphos, Ohio

D.E.S.C. Funding Opportunities

The Delphos Economic Sustainability Coalition (D.E.S.C.) and local donors have partnered to provide a funding assistance program for the purpose of revitalizing and enhancing businesses in the Delphos area.

The Business Community Revitalization Program is available to for-profit businesses/commercial property owners. **The Small Business Prosperity Program** is available to non-commercial property, for-profit business owners. All businesses need to be located within Delphos City limits.

Projects may include but not limited to:

- Windows and Exterior Doors
- HVAC Systems
- Foundation Restoration/Repair
- Storefront sidewalks/entryways
- Awnings
- Masonry Work
- Roof Restoration/Repair
- Business Signs
- Parking Lot Restoration
- Exterior Painting
- Equipment Purchases

The D.E.S.C Board of Directors meet bi-annually to review potential funding recipients.
Delphos Economic Sustainability Coalition is a 501C-3 nonprofit organization.
